

#### 4.2.1: Library is automated using Integrated Library Management System (ILMS)

Library being the heart of an academic and learning system is located in the 2nd floor and is easily accessible by one and all. The mission of the library is to facilitate creation of new knowledge through acquisition, organization and dissemination of knowledge resources and providing for value added services. It remains open 11 hrs. a day (9 am to 11 pm) and maintains a core collection of 9688 volumes. The diversity of the library collection includes Textbooks, Reference books, Book bank, General reading English as well as Marathi books, e-books, e-journals, Project reports, NPTEL video lectures etc.

Various systems are in place which makes our library automated. The following are the names of ILMS.

Name of the ILMS software	Nature of automation (Fully or partially)	Version	Academic Year
Koha	Fully	20.11.06.000	2018-19
Koha	Fully	20.11.06.000	2019-20
Koha	Fully	20.11.06.000	2020-21
Koha	Fully	20.11.06.000	2021-22

#### Library Software - Koha:

Library functions are automated through the open-source software, Koha (ver. 20.11.06.000), an Integrated Library Management Software. It has acquisition, cataloguing, circulation, serial modules etc. Automated reminder e-mail messages are sent to the users regarding overdue items, check in and checkout of items etc. Online Public Access Catalogue (OPAC) can be checked anywhere, in mobile too, one can log in and check individual circulation transactions and suggest a book to library.

Besides issue, return/renewal of books, various services are provided to users such as reference, e-mailing new arrivals, content dissemination through library WhatsApp group and library website, Wi-Fi facility to access library catalogue and subscribed e-resources, Question bank, photocopy, printing and scanning facility etc.

#### E-resources and digital library:

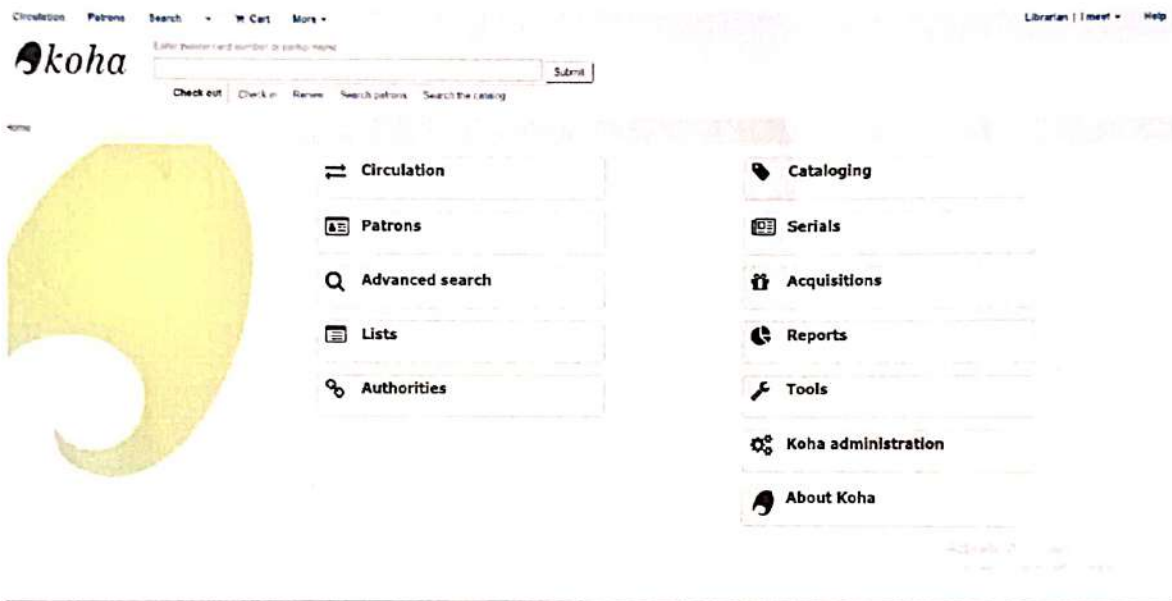

In addition to subscribed e-resources such as IEEE – ASPP, Springer Nature-1, Knimbus- e-book, e- Shodhasindhu, links to important and authentic free, open source and public domain resources are also provided. List providing the details of subscribed e-resources displayed in the media lab of the library, labs and notice boards of all departments for the awareness of students. Dedicated systems are available in the library and computer centre to access resources. Students are allowed to use personal laptops and mobiles also in the library for academic purpose. Charging points are provided for uninterrupted use.
