Dear NAAC Authority

Before Pandemic, we have conducted field trips and Industry visits for various academic purposes. During those visits its customary to take photos outside the plant as most of industries do not allow to take photos inside plant .Also, concept of "Geo Tagged" photos was not known to our staff members serving at that time. Because of this reason, we are not in position to provide geo-tagged photos for industrial visits and other similar activities. Having said so, we certify that all the photos attached are true and that visits are conducted with spirit of academics.

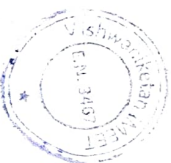

Thanking You,

Sincerely

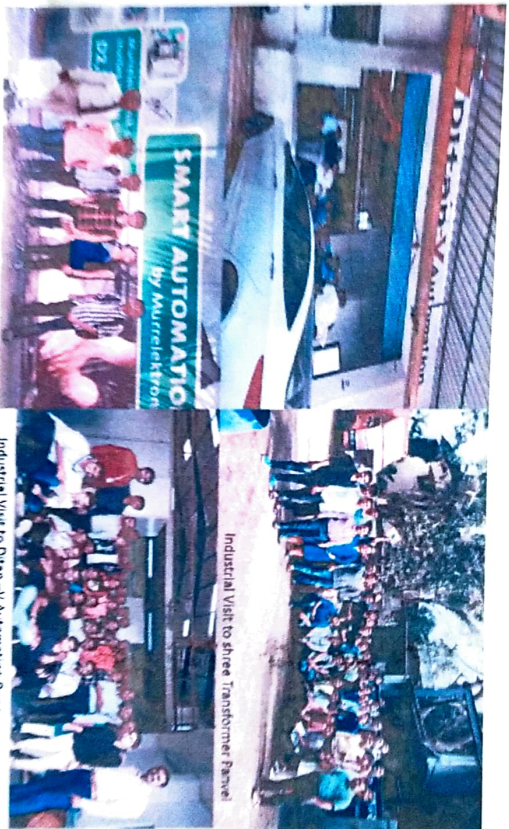

Dr. B. R. Patil
