About Vishwaniketan
Vishwaniketan
n

About Vishwaniketan

Vishwaniketan is poised to become one of the leading institutions in India. In our quest to achieve new milestones in undergraduate Engineering Education, Architecture and Design we have come together as a group of extraordinary educationists. Corporates, industrialists and entrepreneurs. We not only impart theoretical knowledge but also introduce our students to real-world problems that they face when they join industry. The Project Based Learning (PBL) method is a proven, powerful instrument to create future-ready professionals/entrepreneurs who will work on product development oriented, Patent based research and commercialization of intellectual Property.

Vishwaniketan, in association with CTIF (Centre for TeleInfrastructure) also offers its students international fellowships at top notch international universities in the summer vacation where they are trained by the best teachers from around the world.

Our Vision:

Vishwaniketan will provide quality engineering education to create 'Design Engineers'. Our engineers will positively impact their own lives and also business and society at large. They will do so by implementing the Project Based Learning (PBL) approach to solve human and technology problems. We aim to create socially aware entrepreneurs who will empower society with relevant technology and business solutions

Our Mission:

We are determined to create an institution of global excellence where the Vishwaniketan graduate will be ready to use for industry. At the same time, our teachers will be honored for their research and their contribution not only to industry but also to society at large. Academic and Research collaborations with global institution, mutually beneficial Industry Institute Interface extraordinary infrastructure and fully transparent, ethical administration shall drive the institution to become globally respect and reputation worthy

PINCIPAL'S MESSAGE:

Dr. B R Patil

At ViMEET, we have created a fully transparent, ethical & professionally administered academic environment. Over and above the University of Mumbai curriculum, ViMEET has adopted world class teaching – learning practices based on "Project Based Learning (PBL)" methods. The PBL and life skills activities helps

TRUE COPY
B.R.P.
Principal
Vishwaniketan's (IMEET)

students to transform into design engineers, industry-ready professionals and entrepreneurs for successful career based on strong moral and ethical foundation.

We have a global network to support "PBL" includes Centre for Tele-infrastructure Goble Capsule (CGC), Global ICT Standardization Forum for India (GISFI), European Commission, UNESCO chair for PBL, few European-USA universities, research centers and large number of industry members. The network provides students opportunity of strong industry interface & exposure in universities abroad.

I am happy to see that within a short span of time, Vishwaniketan's iMEET has made wonderful progress in terms of academic practices, industry & international exposure to students, creation of start-ups through "Vishwaniketan's Incubation Centre (VIC)", implementation of European commission projects, guiding other Indian institutes for PBL through our "PBL-Centre of Excellence", implementation of skill development programs like PMKVY-TI, Surymitra etc. through our "Skill Development Centre", creation of academic content through "Content Development Lab." and social activities through our various cells like "Kawadase", "Rotract Club", "NBS unit" etc.

I am proud of being the principal of such a wonderful institute as it has stood above the rest in its approach to education and its pedagogies. The way we teach & the way our students learn are unique and creative. I wish to mention our thankfulness to the society at large for their support and responses.

I take the opportunity to acknowledge the extreme hard work of our dedicated staff and faculty by working round the clock to keep our institute at the zenith of success.

In conclusion, I wish you all a wonderful association with ViMEET. If I can be of any assistance, please do not hesitate to contact me and know that my door is always open. I can be reached at principal.vimeet@vishwaniketan.edu.in. I am honored to serve as Principal.

Vi MEET Project Based Learning (PBL) Models

This is a million-dollar question to everyone who visits this campus. There is no single reason, in fact there are many

1. Traditional Question-Answer-Mark (QAM) Cycle do not promote innovation and creativity due to which students' community have lost interest in engineering.
2. PBL is considered be best innovation in the world which any educational institute can adopt.
3. PBL helps students to focus, improve technical and life skills.
4. PBL promotes problem solving, collaboration, innovation and creativity.

TRUE COPY

Principal
Vishwaniketan's (iMEET)

5. Natural outcomes of PBL are products and technology patents which are in line with Startup India and Make in India
6. And many more

VIMEET PBL models- Currently, ViMEET is practicing four PBL models

1. Course Level PBL (CLPBL) models are implemented at the course level and focuses on student's deeper content learning and skill development. Every semester, each department practice CLPBL
2. Value Addition Project Based Learning (VA-PBL) starts in the second semester, and focuses on students' technical skill development in which students are trained by the industry on the future technologies of his/her choice. All semester students work on one project till sixth semester. This way he learns five technologies and completes five projects. Our experience suggests that it helps students immensely for placements and start-ups.
3. Industrial Problem Based Learning (I-PBL), is aligned to design new products as per the customer requirements and technology useful for industry. In this model, students work on industrial problems. We have four industrial labs sponsored by the industries in automobile, wireless robotics, automation and product design. Aim is to get acquainted with industrial tools, techniques and practices. Goal is to produce future products.
4. Project Based International Research Summer Internship which is also popular as Undergraduate Fellowship Program, gives students international exposure. We have networked with CTIF and 18 international universities, which offer fellowships in which students work with university professors on research projects. Typically, students spend six weeks in that university and takes university support to complete the project. We have experienced that many students had transformed and changed the attitude towards learning. The major outcomes of this PBL models being start-ups, scholarship for MS program and international mentorship for the students. Here also students can choose any university of their choice.

3. PLACEMENT FOR THE YEAR 2017-18

TRAINING AND PLACEMENT ACTIVITIES:

A strong Training and Placement team is the back bone of VIMEET. This team of professionally experienced experts continuously strives to bridge the gap between corporates, industries and Vishwaniketan. They are constantly in search of all kinds of opportunities in the industry for our students. In general, its working is divided in two parts:

1. Focused Training:

- Project Based Training on future technologies. Concepts like Business Club and Presentations are introduced with the beginning of Semester I and II.
- Soft skills and aptitude training, an integral aspect of recruitment, is introduced with the beginning of Semester III and continues till Semester VIII.
- Personality Development, Resume Writing skills, Handling Personal and HR Interviews, Group Discussions, Team Building activities, are integrated in academic activities.

2. Placement Activities:

Placement drives on and off campus are organized throughout the year. We take pride that our students are being recruited in companies like TCS, Infosys, Wipro, Atos Syntel,

Accenture, Tata Motors, JSW Steel, Kirloskar, Sony Ericsson, Reliance JIO, Jayashree Construction, etc. More than 85% eligible students got placed through our department. We believe that Vishwaniketan

6. FACULTY DEVELOPMENT PROGRAM AY 2017-18

Name of the Faculty	Name of the FDP	DATES
Mrs. Shilpa Vikas Shinde	Attended Train the Trainer Program of SE(E&TC) For subjects "Electronic Devices & Circuits" conducted by E&TC Dept, SCOE, Vadgaon Pune	05-06-2017 to 10-06-2017
Mr. Sarthak Joshi	UG Followship Program at NTUU, Ukraim, NTUU	17-06-2017 to 30-07-2017
Prof. Nikhil Kasar	Design of PV Systems. NPTEL	01-07-2017 TO 1-10-2017
Prof. Nikhil Kasar	DESIGN OF PHOTO VOLTAIC SYSTEM. NPTEL	01-07-2017 TO 30-11-2017
Mr. Rajaram Ghutukade	Three-day workshop on 'Autodesk fusion 360 Workshop' organized by F C R I T, Vashi	03-07-2017 to 05-07-2017
Mr. Mandar Dixit	STTP on Electrical Power System by IIT Kharagpur	12-07-2017 to 15-07-2017
Mr. Manohar Buktare	Orientation Program for Electronics Devices and Circuits-I	21-07-2017 to 21-07-2017
Mrs. Swapna Manurkar	STTP on Reliability in Electrical & Electronics System	27-07-2017 to 3-07-2017
Mrs. Varsha Ritesh Khatod	Mobile Multimedia Internet	31-07-2017 to 04-08-2017
Mr. Manohar Buktare	Mobile Multimedia Internet	31-07-2017 to 04-08-2017
Mr. Bharat Sawant	Mobile Multimedia Internet	31-07-2017 to 04-08-2017
Mr. Anil Patil	Mobile Multimedia Internet	31-07-2017 to 04-08-2017
Mr. S. M. Kate	Mobile Multimedia Internet	31-07-2017 to 04-08-2017
Mr. S. S. Wagh	Mobile Multimedia Internet	31-07-2017 to 04-08-2017
Priyanka Kasote	Orientation Programme on Mathematics	03-08-2017 to 03-08-2017
Mrs. Shilpa Vikas Shinde	Attended Orientation program in Entrepreneurship, organized by E&TC Department at SIT, Pune	12-08-2017 to 12-08-2017
Mrs. Sunita M. Jadhav	Avishkar Research Convention District Level Round	09-11-2017 to 09-11-2017
Mr. Kiran Thombare	Two days Webinar on Technologies for Development of Rural Areas	27-11-2017 to 28-11-2017
Mrs. Swapna Manurkar	Two days National Seminar on Technologies for Development of Rural Area	27-11-2017 to 28-11-2017
Mrs. Mrs. Sneha Hirkane	Two days Webinar on Technologies for Development of Rural Areas	27-11-2017 to 28-11-2017
Mrs. Shilpa Vikas Shinde	Attended Train the Trainer Program of TE(E&TC) for "System Programming & Operating System" conducted by E&TC Dept, SAE, Kondhwa Pune	11-12-2017 to 13-12-2017
Mr. Sarthak Joshi	On-the-job Training (ViTC, Pune)	11-12-2017 to 29-12-2017
Mr. Sureshkumar Natrajan	Avishkar Research Convention District Level Round	29-12-2017 to 29-12-2017
Mr. Piyush Marathe	One week AICTE sponsored short term course on "Fundamentals of Fluid Mechanics" organised by S G G S., Nanded	01-01-2018 to 05-01-2018
Mr. Bhushan minmine	Six days STTP on Application of high definition surveying in Civil engineering	01-01-2018 to 06-01-2018
Mr. Abhijit Mandave	One week AICTE sponsored short term course on "Fundamentals of Fluid Mechanics" organised by S G G S., Nanded	01-01-2018 to 05-01-2018
Mrs. Mrs. Shilpa Deshpande	Six days STTP on Application of high definition surveying in Civil engineering	01-01-2018 to 06-01-2018

8. STUDENTS INTERNSHIP IN ABROAD UNIVERSITIES

The CTIF- Vishwaniketan network is responsible for above international collaborations. Currently, Vishwaniketan has 18 global academic and research partners along with CTIF Global Capsule. This global network is a unique feature of the institute which no other institute have in the state of Maharashtra. We understand and value relations with our national and global industries; partnership with Reliance, Zensar, Baba Automobiles, Aditya Birla Group for joint projects and internship gives an idea of the institutes industry connect.

We at Vishwaniketan firmly believe that education has no boundaries. The best possible global exposure and learning provided to the students helps them transform themselves into global citizens. We not only believe on this philosophy; we work intensely to achieve it. Currently, we have four international programs and sixteen universities listed below in the network.

1. Centre for Tele-infrastructure, Denmark
2. Global ICT standardization forum for India (GISFI)
3. CTIF-Global Network (CGC) Capsule
4. UNESCO Chair in PBL, Aalborg University, Denmark
5. University of Arkansas, USA
6. University of Nevada, USA
7. University of Louisville, USA
8. International Technological University, San Jose, California, USA
9. Stevens Institute of Technology, USA
10. Aarhus University, Aarhus, Denmark
11. Teesside University, Middlesbrough, England
12. University of Rome-Tor Vergata, Italy
13. Poznan University of Technology, Poland
14. Athens Information Technology, Greece
15. National Technical University of Ukraine Igor Sikorsky Kyiv Polytechnic Institute"

16. Technical University of Sofia, Bulgaria

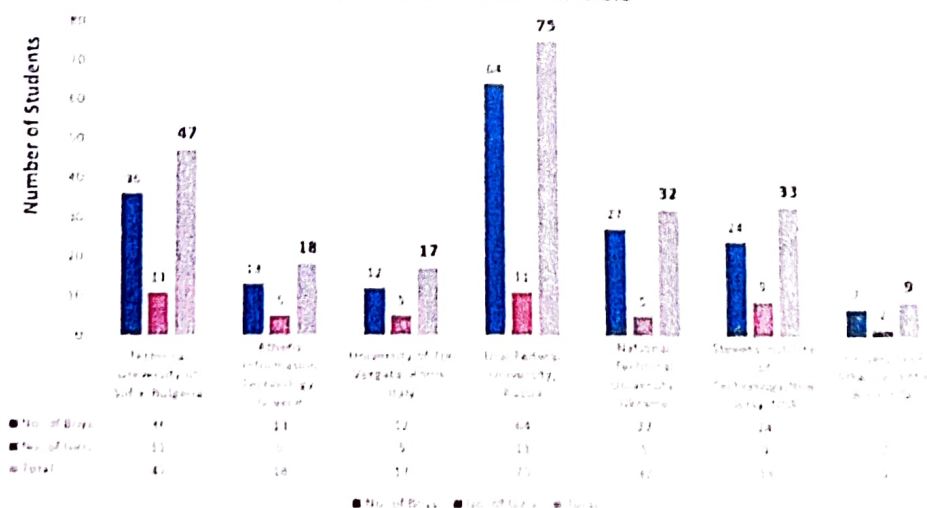

17. Ural Federal University, Russia

18. Mae Fah Luang University, Thailand

Number of Students selected for Summer Training Program at American and European Universities:

Sr. No	Name of University	Name of Coordinators	No. of Boys	No. of Girls	Total
1	Technical University of Sofia, Bulgaria	Prof. Deven Mishra and Mr. Shivaji Mundhe	36	11	47
2	Athens Information Technology, Greece	Prof. Narayan Arjunwadkar	13	5	18
3	University of Tor Vergata, Rome, Italy	Prof. Aparna Bhirangi	12	5	17
4	Ural Federal University, Russia	Prof. Rajkumar Baghel and Prof. Sachin Pawar	64	11	75
5	National Technical University, Ukraine	Prof. Santhak Joshi	27	5	32
6	Stevens Institute of Technology, New Jersey, USA	Prof. Anand Khandekar	24	9	33
7	University of Arkansas, Little Rock, USA	Prof. Rahul More	7	2	9

13. ALUMNI ASSOCIATION

V-Lineage Alumni Meet-2018

Event Date: 10th March 2018

Institute Coordinator: Prof. Sandeep Kate

Day: Saturday Venue: Vishwaniketan Premises Time: 10.00 am to 5.00pm

Staff Co-ordinators: Prof. Kiran Thombare (Department of CIVIL Engg.)
Prof. Sneha Patil (Department of COMPUTER Engg.)
Prof. Manohar Buktare (Department of ExTC Engg.)
Prof. Kishor Mane (Department of MECHANICAL Engg.)

Event Conducted Under: All the Departments of Vishwaniketan's institute of Management Entrepreneurship and Engineering Technology

Activity Type: Non-Technical

Target Group: All Alumna/Alumnus.

Brief Summary about Activity:

First ever Alumni Meet of Vishwaniketan's iMEET was held on March 10, 2018, at Vishwaniketan college premises, Kumbhivali. Respected vice president Dr. S. S. Inamdar was the chief guest for the meet. Dr. S.S. Inamdar in his inaugural speech refreshed the memories of all Alumni students. He also emphasized the importance of technical education. He congratulated to all who are placed and also assured them that Alumni who need any help in any aspect may approach us anytime. Respected Director Dr. Janhavi S. Inamdar had given the complete report of last four years and also described the milestones that achieved by Vishwaniketan so far. More than 200 Alumni members attended the meet. In response, few of Alumni shared their experience as well as memorable and interesting moments of campus life. Principal, Dr. B.R. Patil, and vice Principal

Prof. S.B. Kadam also graced the function. Prof. Sneha Patil anchored the program and at last Prof. Sandeep Kate proposed the vote of thanks. After the program, all Alumni visited their own departments and had interaction with their juniors. They shared their experience of new job opportunities in respective field with final year students and staff members. As a part of the entertainment, Alumni members enjoyed cultural programs arranged by departmental associations.

FIRE SAFETY AWARENESS IN KUMBHIVALI VILLAGE

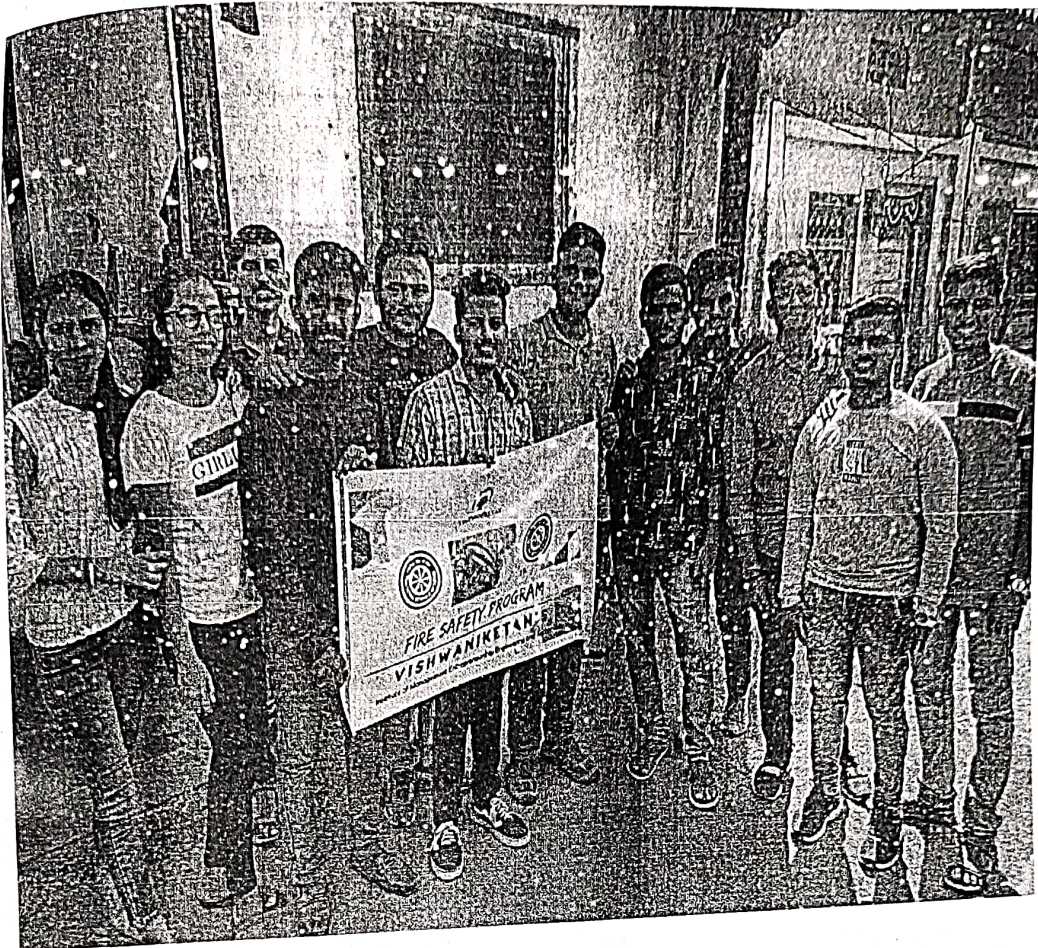

A visit to the Kumbhivali village was organised on 19 th August september 2018 by department of Civil Engineering to discuss about fire safety . A group of 20 students with faculty member (Dr.Heena Jain) had visited the village to discuss Fire safety concept. Fire safety is very Important for buildings as it may become Life threatening and it becomes all the more Important as it is concerned with villages that does not have much knowledge of Fire safety. Keeping Fire Extinguisher at Home, Taking care of Electrical appliances, avoiding conditions that could create short circuit, avoiding flammable objects near grass roof ,opening of windows to have escape routes, tile openings in the roof ,using ladders etc to have escape routes were discussed. Overall The villagers were given an idea of how to deal with emergency situation in case of Fire Accidents.

To,

Vishwaniketan's iMEET,

Khalapur.

Sub: Appreciation Certificate

This is to certify that on 23rd June 2019, 29 students of Vishwaniketan's iMEET in collaboration with Khalapur Gram Panchayat organized 'Food Waste Management Abhiyan' in the area and spread awareness among the people about importance of food management daily life and social events by going door to door.

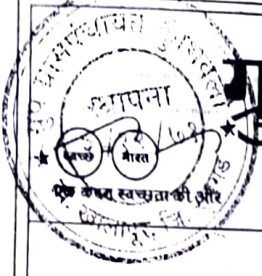

We hope that in future also the students of the institution will continue to cooperate in the same way in social work.
