

## Integrated Energy, Environment & Green Policy

Management of our institution are committed to go green for making our nation to Atma-Nirbhar (i.e. Self-Sustainable) in the area of energy and environment. Our emphasis to:

1. Ensure continual enhancements in our energy and water conservation methods and usage.
2. Procure and use energy efficient equipment's and products.
3. Continuously monitoring the energy consumption patterns through periodic reviews & using latest informative system.
4. Create awareness regarding necessity of energy conservation and making environment pollution free to all staff and students on a regular basis by arranging trainings, workshops, seminars, quiz competitions, etc.
5. Carry out regular energy, environment and green audits by certified auditors to identify key areas of improvements.

## Vishwaniketan Policy for Disabled Person and Diyangans

Vishwaniketan has great empathy about the stakeholders of the society; We are committed to equality of opportunity for all such stakeholders where disabled person or Diyangans are one of them. The disability of any form which have impact on the daily routine of the person like medical conditions or mental health difficulties. These generic guidelines are designed to make the said students comfortable in the institute. According to the equality act a person is disabled if they have a physical or mental impairment sensory impairment which has adverse effect on their ability to carry out normal day-to day activities. The disability of any form should not led to discriminate. Impairment covers physical of mental impairment which includes sensory impairment such as affecting sight or hearing. The student's data confidentiality of the impairment and disability should not be disclosed, without clear consent of the student. Disabled students will have equal opportunity of the learning and assessment. The institute have lifts, ramps and other facilities to facilitate access for such students and staff if any. The admission facility and reservations for admissions as applicable by government of Maharashtra. The institute has a policy to provide computer, reader or scribe in exams, as per the demand. The institute is strongly committed on providing support services and supporting students in all respects.

## ENVIRONMENTAL AUDIT CERTIFICATE

This is to certify that Empirical Exergy Private Limited (EEPL) Indore M.P. has conducted Environmental audit in Vishwaniketan's Institute of Management Entrepreneurship and Engineering Technology Khalapur, for the academic Year 2020-21.

Noteworthy initiatives taken by the Institute:

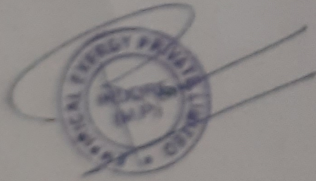

- ❖ Single dust bin system for waste collection.
- ❖ Institute Use dip water irrigation system for gardening.

There is much scope for system improvement by adopting water conservation measures, waste management practices as indentified and recommended in the project report in a phase manner to conserve environment.

We avail this opportunity to express our sincere gratitude to the Institute management for their wholehearted support and co-operations during the audit.

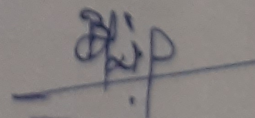

This certificate is being issued on the basis of the Environmental Audit conducted at the site.
