Thrillophilia

Date: 16.08.2016

Participants: Students of First Year Engineering.

Name of Coordinator: Mr. Amit Kane

Location: Hills of Jambulpada, Mangaon (Near Lonavala)

Every year this activity of one day trek is organised for First Year students on 14 or 16th of August. Along with faculty members, students enjoy this trek programme and participate cooking competition. Motive of this activity is to enhance teamwork among students and also how to survive in natural environment with minimum resources. Thrillophilia helps students to prepare themselves, to face different challenges and hardships in their personal and professional fronts.

Approximately 250 students with faculty members went for this trip and enjoy the nature. Along with the trek they have actively participated in Cooking Competition.

Name of Coordinator: Mr. Sachin Mulik

Location: Hills of Jambulpada, Mangaon (Near Lonavala)

Every year this activity of one day trek is organised for First Year students on 14 or 16th of August. Along with faculty members, students enjoy this trek programme and participate cooking competition. Motive of this activity is to enhance teamwork among students and also how to survive in natural environment with minimum resources. Thrillophilia helps students to prepare themselves, to face different challenges and hardships in their personal and professional fronts.

Approximately 180 students with faculty members went for this trip and enjoy the nature. Along with the trek they have actively participated in Cooking Competition.

Thrillophilia

Date: 30.08.2018

Participants: Students of First Year Engineering.

Name of Coordinator: Mr. Sachin Mulik

Location: Hills of Jambulpada, Mangaon (Near Lonavala)

Every year this activity of one day trek is organised for First Year students on 30th of August. Along with faculty members, students enjoy this trek programme and participate cooking competition. Motive of this activity is to enhance teamwork among students and also how to survive in natural environment with minimum resources. Thrillophilia helps students to prepare themselves, to face different challenges and hardships in their personal and professional fronts.

Approximately 200 students with faculty members went for this trip and enjoy the nature. Along with the trek they have actively participated in Cooking Competition.

Date: 16.08.2019

Participants: Students of First Year Engineering.

Name of Coordinator: Mr. Sachin Mulik

Location: Hills of Jambulpada, Mangaon (Near Lonavala)

Every year this activity of one day trek is organised for First Year students on 14 or 16th of August. Along with faculty members, students enjoy this trek programme and participate cooking competition. Motive of this activity is to enhance teamwork among students and also how to survive in natural environment with minimum resources. Thrillophilia helps students to prepare themselves, to face different challenges and hardships in their personal and professional fronts.

Approximately 100 students with faculty members went for this trip and enjoy the nature. Along with the trek they have actively participated in Cooking Competition.

Department of First Year Engineering

Induction Programme

DATE: 06/08/2019

ACTIVITY: Induction Programme

PARTICIPANTS: First Year Engineering Students & Parents

Name of Coordinator: Mrs. Shivani Agrawal

This is a very unique activity which is organised by Vishwaniketan's iMEET where along with the students their parents are invited by the department. The motive of this program is to welcome newly admitted students and parents to the department and introduce them with faculty members and management representative so that they can easily communicate with the management members, principal and faculty members in future. During this activity students & parents are also introduced to the culture of vishwaniketan and informed about all academic, curricular and co-curricular activities of the department. Parents are free to give suggestions related to facilities provided by us for betterment of the department and college. This year more than one hundred participant (parents & students) had attended this meeting and appreciated the effort taken by the college.

DESIGN THINKING WORKSHOP

DATE: 6/3/20 – 7/3/20

PARTICIPANTS: First Year Engineering Students

Name of Trainer: Mr. Mathew Sebastian

This design workshop was specially fabricated for First Year students at Vishwaniketan's iMEET. Workshop aims to build a tactical approach in student's mindsets for thinking about possible solutions to critical technological, social problems.

Workshop was conducted by Mr. Mathew Sebastian specialist in the field of designing from Bangalore.

This activity builds a new pathway for engineering students for a more practical approach, towards product development and to establish more innovative and sustainable designs to match industry standards.

Regarding engagement of students of your college for education on road safety

Kanchan <kanchan@unitedwaymumbai.org>

To: jitendrasawant34@gmail.com

Cc: Ajay Govale <ajay@unitedwaymumbai.org>, kirthi@unitedwaymumbai.org, godfrey@unitedwaymumbai.org

Dear Prof. Sawant,

I would like to introduce you to United Way Mumbai, which is a registered, non-profit organization working actively in the areas of civic awareness, health, safety and environment in Mumbai city

According to accident data published by the Ministry of Road Transport and Highways for the year 2016:

- Road accidents have killed 1.50 lakh people in India.
- 46.4%, i.e. 69,851 people belonged to the age group of 18 to 35 years.
- 34%, i.e. 52,500 deaths were caused due to an accident involving two wheelers.

As part of our commitment to improving the state of safety in Mumbai city, United Way Mumbai has recently launched a special community impact initiative namely, **UNITED FOR ROAD SAFETY (URS), powered by Castrol**. The project aims to educate and sensitize youth to safe and responsible two-wheeler riders. This is in keeping with the rising death toll due to road accident in India.

Under URS project, we propose to conduct the following activities with the students of your college:

- 3-4 hour classroom session on safe/defensive driving followed by demonstration by Trainer & a on wheel assessment on two-wheeler simulator for those having learning or permanent driving license for batch of maximum 30 participants at a time. (Note: We can conduct multiple training sessions in batches of maximum 30 students per batch.)

1. Upon successful completion of the training, all the students will be awarded a certificate jointly issued by United Way Mumbai and the National Safety Council - Maharashtra Chapter.
2. Formation of "Road Safety Club" of Safe Rider Training participant.
3. The members of this Road Safety Club will be encouraged and empowered to conduct about 5 awareness activities/drives in the college campus or in the neighbouring community to educate peers and/or community members on road safety.

Towards the end of the academic year, Road Safety Club members who attended at least 3 Road Safety awareness drives will be felicitated by Certificate.

Note: United Mumbai will support the club members for successful execution of these activities.

Considering the magnitude and urgency of the situation, we are confident that, your college will actively participate in URS activities propagate the noble cause of road safety among the young students of your college.

We thereby request you to kindly suggest a convenient date for conducting a training session in your college and meeting with the concerned professor and student coordinators to discuss the plan of action for formation of a road safety club in your college.

Thanking you and looking forward to partnering with your college for improving the state of road safety in Mumbai city.

Warm Regards,

Dear Professor,

This is to request you to sanction the Mechatrol Trainer payment for conducting a training program of Final Year mechanical students on Solidworks software.

Out of 20 participants took the training. The approved fees was 2500/- for each candidate. The complete fee has been collected. The total collected amount is Rs.50,000/-. So, as per our discussion, I would request you to kindly approve a sum of 50,000/- to the trainer as per policy.

The trainer, Mr. Anand Bhise has promised to give a sponsorship of 15,000/- to Vishwaniketan VAP in the near future. I have hereby attached the closure copy and payment letter signed by Principal Dr.B.R.Patil.

Dear sir

We have gone through your planning and suggestions.

1. We are fine with the timing and duration of the course.

2. We are not flexible with the hours you have allotted for completing the syllabus. Generally in our classes, 65 hours(Diploma to Degree) and 48 hours(12th science) are given for completing Maths (Diploma to Degree) to the batch of 100 students. In your case, number of students are more and time allotted is less.

3. We need minimum 50 hours. Otherwise we cant finish the entire syllabus but we can cover the major topics.

4. We can schedule the lectures in first three weeks. Can you arrange extra lectures on Saturday and Sunday?

5. We will provide best and experienced faculty for all subjects. We will evaluate students regularly and submit that report to college. We will engage the students by keeping exams for getting good result but we cant assure you for giving 80% result as we are don't know the level of students. My teachers are also not aware of their level of understanding. But we will promise you the best of ours.

6. As discuss over call, find the new rates of Faculty

Semester	Subject	No. of hours	Rate per hour in Rs.
III	Applied Mathematics-III	50 to 60	1250
III	Strength of Materials	50	1250
III	Fluid Mechanics-I	50	1350
IV	Applied Mathematics-IV	50 to 60	1250
IV	Structural Analysis-I	50 to 60	1400
IV	Fluid Mechanics-II	50	1350

7. Requesting you to arrange the transportation to and fro Parvel.

8. Please share the mode of payment.

Kindly acknowledge the mail ASAP. We are waiting for approval so we can discuss this with our teachers and can start early.

ViMEET Training and Placement Department

Date: 13 June, 2019

Dear Sir,

As per our calendar plan this semester,

TnP has planned for "Resume Writing Workshop 26th Aug 2019" we have received quotations from 3 service providers in this regards.

We were looking for a competent resource who can conduct a minimum 4 hour workshop on Resume Writing for our Third and Fourth year Engineering students.

Our batch size per year is approximately 400 students.

We expect that by the end of your session all our students are given very good directions on creating their own resumes and a repository of their resumes is created with the TnP department.

We have received 3 proposals as under

1) JusSoar Pvt. Ltd. given by Ms. Rupali Rotti

Charging Rs 15000 per session

2) Successful Resumes India given by Ms. Supriya Pandit

Charging Rs 9000 per session

3) CVOWL given by Ankur Singhal

Charging Rs 10000 per session .per 70 students

Detailed quotations of service providers is attached for your perusal.
kindly approve the final service provider and its rates for this initiative.

Thanks and Regards
Neelam Kamthe

- 1. Kings of the day
- 2. Electrical department has taken the membership of the well known society Indian Electrical and Electronics Manufacturing Association 2 year back. Every year we have to pay the membership amount before March 31. This year also we have to pay a total 17,700Rs which includes 15000 annual fee and 2700 Rs as a GST. Along with this request I am attaching the invoice of IEEMA and Benefits of this membership till date.
- 3. College has been associated with many companies from New Mumbai, Taloja MIDC, Ambarnath, Thane.
- 4. Attended 2 conferences and exhibitions by teachers and students.
- 5. During lock down students and teachers attended min 20 online webinars which were very helpful for the students to enhance the latest technology.
- 6. There were 2 virtual exhibitions in which there was a direct interaction with the manufacturer and new product.
- 7. Siemens ltd arranged a special guest lecture on transformer design by their Design expert.
- 8. Chairman of three companies like Telwane, Ashida, Fine finish visited our VAP/project exhibition as a judge
- 9. Department project oral has been taken by Senior engineers of Tata Power.
- 10. More than 30 students have done their Internship.
- 11. 2 students from Electrical and 2 students from Mechanical are doing paid internships with Fine finish company Taloja where they are doing projects with Indian Defence. Scientists from BARC are mentoring them in the project.
- 12. This is a paid internship where our students are getting 400 rs per day. Vijay Gainward, a student from Electrical, is now on their payroll.
- 13. Workshop regarding the hybrid vehicle for our students is in the pipeline from IEEMA.
