EVENT NO:-	07
Title:	Teachers Day Celebration
Date:	05/09/2022
Venue:	New Seminar Hall
Time:	2.00-4.00pm
Staff Co-coordinator:	Prof. Sharad Wagh
Number of students attended	48

On, 5/09/2022, TESA of Electronics and Telecommunication Engineering department celebrated Teachers' Day with great enthusiasm. The event was organized to honour and express gratitude to the dedicated educators who play a pivotal role in shaping the future of the students.

Preparation and Planning:

The celebration began with meticulous planning and coordination among the students, teachers, and the organizing committee. Several weeks before the event, a dedicated team of students and faculty members worked together to plan an array of activities and events to make the day memorable.

Ceremonial Program:

A ceremonial program was organized in the new seminar hall, where various activities were lined up to entertain and honor the teachers. This included:

1. **Lighting of the Lamp**
2. **Speeches:** Students delivered heartfelt speeches expressing their gratitude for the guidance and support provided by the teachers.
3. **Cultural Performances:** Students showcased their talents through various cultural performances, including dance, music, and drama, dedicated to the teachers.
4. **Interactive Sessions:** Some classes organized interactive sessions where students could share their experiences and engage in discussions with their teachers on a more personal level.

Gifts and Tokens of Appreciation:

Students presented small gift as token of appreciation to their teachers. These gestures were symbolic of the deep respect and affection the students hold for their mentors.

Refreshments: Refreshments were arranged for teachers, students and guests at the end of the program.

Vote of Thanks: TESA Coordinator Prof. Sharad Wagh and HoD EXTC Dr. Jyoti Gangane presented vote of thanks and called off the program
