

MEMORANDUM OF UNDERSTANDING (MoU)

This Memorandum of Understanding ("MoU") is entered into on 2nd January 2024 between:

Party 1:

BVG India Limited (CIN: U74999PN2002PLC016834) having its Registered Office at BVG House, Premier Plaza, Old Pune Mumbai Road, Chinchwad, Pune – 411019, and Corporate Office at Midas Tower, 4th floor, Rajiv Gandhi Infotech Park, Phase 1, Hinjawadi, Pune 411057 (hereinafter called the "BVG") (which expression shall, unless it be repugnant to the context or meaning thereof, mean and include its administrators, successors, and assigns), of the First Part.

and

Party 2:

Vishwaniketan's Institute of Management
Entrepreneurship & Engineering Technology,
Ichhalapuri

Hereinafter referred to as "College"

BACKGROUND:

WHEREAS, BVG is a registered organization and India's largest integrated facility management services Company, engaged in the business of providing services including waste management, landscaping, gardening, technical services, Electrical Projects, and other industrial services, as well as providing and maintaining Ambulatory Services and Emergency Medical Transport Services. BVG also envisions engaging fresh college pass-out students as apprentices in various projects.

WHEREAS,Training and Placement Cell facilitates industry connections, organizes career development programs, and ensures students are well-prepared for internships and placements, fostering a smooth transition from academia to the professional realm.

WHEREAS, BVG intends to conduct a recruitment drive for the selection of students from College for employment & apprenticeship opportunities within BVG & its group companies as well as for its clients spread across the country and abroad.

TERMS OF THE MoU:

1. Student Selection:

- 1.1. The selection of students for employment by BVG shall be the sole right of BVG.
- 1.2. The selection process and criteria shall be defined by BVG, and the College agrees to abide by these guidelines.
- 1.3. BVG reserves the right to deny offer letters based on the unavailability of positions due to any circumstances.

2. Recruitment Process:

- 2.1. Necessary logistic arrangements for conducting the recruitment drive shall be made by College.
- 2.2. The initial screening of candidates, as per BVG guidelines, is the responsibility of the College.
- 2.3. College shall provide the necessary infrastructure for the smooth conduct of the end-to-end recruitment process defined by BVG.

3. Candidate Communication:

3.1. College shall maintain transparency with candidates through continuous communication.

3.2. College will act as a bridge between candidates and BVG, facilitating swift and proper communication and management.

4. Candidate Placement:

4.1. BVG may request selected candidates to join any location within BVG's operating region.

4.2. In case of any misdeed or personal/professional issues, the separation of selected/recruited candidates shall be the sole authority of BVG.

5. General Provisions:

5.1. This MoU shall commence on the effective date and continue until one year, unless terminated earlier by mutual agreement.

5.2. Any amendments to this MoU shall be in writing and signed by both parties.

IN WITNESS WHEREOF, the Parties hereto have executed this MoU as of the Effective Date first above written.

**MoU between Vishwaniketan's Institute of Management Entrepreneurship and
Engineering Technology and Bolt IoT (Inventrom Private Limited)**

This Memorandum of Understanding (MoU) is made and entered into on 10th of November 2021 between Vishwaniketan's Institute of Management Entrepreneurship and Engineering Technology located at Khalapur, Maharashtra, 410202 herein after referred to as college and Bolt IoT (incorporated as Inventrom Private Limited) with CIN: U72900GA2016PTC012945 located at 79, 11th Cross Road, Binnamangala, Indiranagar, Bengaluru, Karnataka, 560038, India herein after referred to as industry training partner.

The MoU is being signed with the industry training partner to facilitate hands-on online/offline trainings and various other activities for students enrolled under Vishwaniketan's Institute of Management Entrepreneurship and Engineering Technology to make them job-ready.

Purpose

This MoU between the college and the industry training partner will outline the collaboration to facilitate hands-on online/offline trainings for students enrolled under the college and make them job-ready.

Whereas

The college located at Khalapur, Maharashtra, 410202 facilitates technical education to students in its institution. The institution has taken a number of steps to promote quality technical education and has made a mark in certain areas that contribute to promoting quality education in the present global competitive environment.

BOLT

Whereas

The industry training partner provides an IoT and ML platform used by various enterprises and manufacturing companies for monitoring various parameters. It has users across 62 different countries with more than 40,000 units of the hardware modules shipped. They also provide various online trainings to help students to get started with building hands-on projects.

As a part of this MoU, both parties hereto agree to the following respectively:

Industry Training Partner:

1. With the help of a designated faculty member of the college get all the students under the college to enrol for the industry training partner's Placement Preparation Training. This training will be offered without any fee.
2. The industry training partner will make all the necessary resources (internship opportunities, placement guidance, resume writing, and interview tips) available to all the students registered through this partnership.
3. Will conduct free online/offline live sessions for students to help them bag better job opportunities and get hands-on training.
4. Will create success stories of students landing jobs upon training completion and circulate these stories among other students through offline (newspapers) and online (videos/blog posts on social media).

BOLT

5. There are no commercials involved between the Industry Training Partner and the college as a part of this MoU.

Vishwaniketan's Institute of Management Entrepreneurship and Engineering Technology:

1. Will recognize the industry training partner in all internal and external communication to the institutions and general public, including official press releases.
2. Provide the information of all the students of the college as required by industry training partner for their registration.
3. Will support media coverage to build awareness about internships among students by issuing press releases, success stories of students, internship trends, and surveys from time to time.

In witness whereof, the parties hereto have caused this MoU, executed by their representatives in duplicate, each party retaining one (1) copy respectively.

Term and Termination:

This agreement will be operational and valid from 10th of November. Upon completion of 3 years, the agreement can be renewed with the mutual consent of both parties.

Under normal circumstances, either party wanting to terminate the agreement can do so and it can be done on a mutually agreed upon date, in a justified way with notification given at least three months before the termination date.

Vishwaniketan's Institute of Management Entrepreneurship and Engineering Technology Khalapur, Maharashtra, 410202	For Bolt IoT (Inventrom Private Limited) 79, 11th Cross Road, Binnamangala, Indiranagar, Bengaluru, Karnataka, 560038, India
Signature:  Name: Dr. B. R. Patil Date: 13 th Nov. 2021	Signature:  Name: Joyner Fernandes Date: 10th November 2021

BOLT

ANNEXURE

The individual associated with the post of a college co-ordinator is subject to probable change in future if need be.

Memorandum of Understanding

This Memorandum of Understanding (MoU) is entered on October 25, 2021, by and between:

- a. **Vishwaniketan's Institute of Management Entrepreneurship and Engineering Technology** located at Survey Nos: 52, 54, 55, 56, 57 Kumbhivali, Tal, Khalapur, Maharashtra 410202.

And

- b. **Friends Union for Energizing Lives** (hereinafter referred to as FUEL) duly registered under the Indian Trusts Act 1882, and having its office at FUEL, Forest Trails Township, Near Sales office, Paranjape Schemes, Near Manas Lake, Paud Road, Bhugaon, Pune, Maharashtra 412115.

This MoU is drawn up and agreed upon to establish the cooperation between Matoshri College of Engineering & Research Centre and FUEL to bridge the divide that exists between industry and academia in the skill ecosystem and provide Skilling support to the youth to enhance their employability.

Background and Purpose of Parties Involved

- a. **Vishwaniketan's Institute of Management Entrepreneurship and Engineering Technology** located at Survey Nos: 52, 54, 55, 56, 57 Kumbhivali, Tal, Khalapur, Maharashtra 410202.

Vishwaniketan Institute of Management Entrepreneurship and Engineering Technology is a private renowned institute located in Khalapur, Maharashtra which is affiliated to University of Mumbai and approved by AICTE. It is an institute, recognized by the Government of Maharashtra. The Institute has international collaborations with more than 10 International Universities like International Technological University, San Jose, California, USA and University of Arkansa, USA and University of Nevada, USA etc.

The Institute offers undergraduate programmes in engineering such as civil, Mechanical, Computer, Electronics & telecommunication, Electrical and Computer Science & Engineering

- a. **Friends Union for Energizing Lives–FUEL**, a credible non-profit organization which provides Career Guidance and Skilling to the students throughout India. FUEL has received the highly prestigious Ashoka Fellowship which is awarded to leading social entrepreneurs for their exemplary solutions to social issues.

FUEL aims to work for the Mission 2021 as envisioned by Dr. APJ Abdul Kalam for FUEL to reach career guidance support to over 1 crore students. FUEL believes that through the provision of essential life skills; Indian youth can achieve excellence in their professional life. It has a track record of several years, having already reached 1 million students across India, and is supported by India's leading corporate's and foundations.

Recently FUEL had a great opportunity to interact with the **Hon'ble Prime Minister of India Shri. Narendra Modi** during the "Champions of Change" event organized by the **Niti Ayog** from PMO's office in Delhi.

Significant Recognition

- Appreciated by Hon'ble President of India Shri. Ram Nath Kovind

Vision: FUEL has a vision to empower the youth and enable them to become the torch bearers of tomorrow.

Goals:

- To reach students through career counseling and guidance over 1 crore (10 million) students
- To support mechanics & drivers through trainings for better sustainability & livelihood

Context of the MoU

Vishwaniketan's Institute of Management Entrepreneurship and Engineering Technology's consistent efforts towards integrated development of Youth as agents of change and expertise of FUEL and its years of experience in the field brought the two parties together. Realizing the skill gap that exists and ensuring that India's huge demographic dividend should not become demographic burden, both the parties thought to come together for more meaningful and sustainable intervention in the lives of youth.

Scope of Work

- a. To establish, a cooperative arrangement towards - strengthening the identified objectives.
- b. Review and co-create initial roadmap for students in the Vishwaniketan's Institute of Management Entrepreneurship and Engineering Technology's for improvement in the employability potential through interventions such as Aptitude training and Future Skill Development.
- c. Establish a mechanism for formulation of strategy and review of progress in mutual consultation with each other with intent to bring efficiencies in the existing schemes through convergence of efforts.

Roles and Responsibilities

FUEL's Roles and Responsibilities:

- a. To deliver Aptitude Training and Future Skill Development with the support of Corporate Social Responsibility.
- b. Mapping of student on skill development, education, and entrepreneurship.
- c. To facilitate employment to the skilled student with the support of industry.

Vishwaniketan's Institute of Management Entrepreneurship and Engineering Technology's Roles and Responsibilities:

- a. Facilitate co-creation and execution of agreed plan with FUEL.
- b. Facilitate functioning of the persons engaged by the FUEL in the project
- c. To share required policy inputs and data with FUEL.
- d. Assist FUEL in connecting with industry.
- e. Assist FUEL in establishing Center of Excellence in University premises.

Terms and Conditions

- a. This Memorandum shall commence from the date of its signing and shall continue for a period of one (1) year from the date thereof and be automatically renewed for successive periods of one (1) year, unless either Party notifies in writing to the other Party of its intention to terminate this MOU ninety days in advance.
- b. This Memorandum is not a legally binding contract and under no circumstances does this Memorandum subject either of the Parties to liability for breach, whether material or minor, of contract or any other liability under national or international law or any other applicable law.
- c. The Parties may nominate an identified individual to establish a "Joint Working Group" to manage and execute the cooperative activities mentioned in this MOU.
- d. Parties may use other party's logo/branding only after prior permission from each other.

Memorandum of Understanding

Between

**Vishwaniketan Institute of Management Entrepreneurship and
Engineering Technology (ViMEET), Mumbai**

And

Baba Automobiles Pvt. Ltd. (BAPL) Jaipur

This Memorandum of Understanding sets the terms and understanding between Vishwaniketan Institute of Management Entrepreneurship and Engineering Technology (ViMEET), Mumbai and Baba Automobiles Pvt. Ltd. Jaipur for automobile engine and allied system training at ViMEET and also for the research in Automobile sector on latest technologies. This MoU will be applicable to conduct training of students of ViMEET and outside students (national and international) studying at any levels of Engineering and professional courses. It will be also encouraged to show this lab to all science (11th/12th/B.Sc.) students for promoting their interest in Automobile sector.

The above goals will be accomplished by undertaking following activities fully under supervision of Baba Automobiles at ViMEET Lab and general conditions agreed by both ViMEET and BAPL are as follows:

1. Baba Automobiles Pvt. Ltd. (BAPL) will create and arrange training facility at ViMEET essential to carry out automobile engine and allied system training for all enrolled students of ViMEET and outside students (national and international) studying at any levels of Engineering and professional courses and also, to science students at any level of their studies. Details of engines, cars and bikes, automobile auxiliary systems, machines and tools are provided in the **Annexure I**.
2. There is no restriction on the number of students from ViMEET for the training purpose.
3. The training schedule and duration will be throughout the year and must be done with mutual understanding between ViMEET and BAPL. Tentative list of training modules is provided in **Annexure II** which will be displayed in the lab. Details of the content will be developed in the due course of time with mutual understanding.
4. Holidays can be used for Training with mutual consent.
