Safety and Security of Women

The security of the Women's in the campus is strictly monitored by deployment of security persons. Specifically in Ladies Hostel is maintained by deployment of guards round the clock in the hostel. Males are not allowed in the hostel, however whenever there is a requirement for maintenance, supply and others due permission is obtained from the respective Hostel Superintendent's/Matron. Visiting parents/relatives of the boarders are allowed to the reception of the respective hostels after due approval from the Hostel administration.

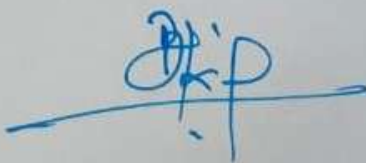

An entry/exit register is maintained in the hostel where all entry/exits are recorded. Outside the Hostel boundary guards are deployed during night to restrict the movement of male towards the hostels.
